

SCHOOL TRANSFORMATION PROPOSAL

Choose Your School Transformation Program

A five-year partnership pathway that brings robotics, AI, IoT and innovation education into your school — from first robotics classroom to flagship innovation institution.

PREPARED FOR
[School / Trust Name]

PROGRAM DURATION
5 Years

MINIMUM ENROLLMENT
500 Students

Choose the Transformation Program That Best Fits Your School

Four five-year pathways — each building on the one before it — so every school can start where it is and grow toward a flagship innovation institution.

Features	Foundation	Innovation	Future Ready	Signature Partner

National Competitions	—	—	✓	✓
Teacher Certification	Basic	Standard	Advanced	Premium
School Branding	—	Basic	Advanced	Premium
Media Coverage	—	Limited	Annual	Dedicated
Dedicated Success Manager	—	—	—	✓

Most Recommended — Innovation (₹100 + 18% GST) & Future Ready (₹150 + 18% GST): the two programs schools choose most often, balancing affordability, infrastructure, and long-term impact.

Minimum Enrollment: 500 Students

Contract Duration: 5 Years

Pricing: Base Price + 18% GST

Min. Enrollment 500 Students

Duration 5-Year Transformation Program

Ideal For Schools introducing Robotics, Coding & STEM

CURRICULUM

- Robotics & Coding (Classes I–X)
- STEM Activities
- Basic Electronics
- Weekly Practical Sessions

STUDENT EXPERIENCE

- Hands-on Projects
- Team-Based Learning
- Annual Assessments
- Certificates

SCHOOL SUPPORT

- Certified Trainers
- Teacher Orientation
- Equipment Maintenance
- Dedicated Technical Support

TRANSFORMATION TIMELINE

Year 1

Curriculum implementation, teacher orientation, and student onboarding.

Year 2

Students complete foundational robotics and coding projects.

Year 3

STEM culture becomes an integral part of classroom learning.

Year 4

Students independently solve real-world engineering challenges.

Year 5

School establishes a strong foundation for future-ready education.

Student Strength	Monthly Investment	Annual Investment
500 Students	₹29,500	₹3,54,000
750 Students	₹44,250	₹5,31,000
1000 Students	₹59,000	₹7,08,000

OUTCOME

Students develop confidence in technology, coding, and practical problem-solving while the school builds a sustainable foundation for innovation.

Innovation

Building an Innovation Culture

RECOMMENDED PROGRAM

₹100 + 18% GST

PER STUDENT / MONTH

Total ₹118 / student / month

Min. Enrollment 500 Students

Duration 5-Year Transformation Program

Ideal For Schools ready for a dedicated Innovation Lab

EVERYTHING IN FOUNDATION, PLUS:

INFRASTRUCTURE

- Dedicated Robotics Laboratory
- Expanded Robotics Equipment
- Electronics Workstations
- Innovation Workspace

ADVANCED LEARNING

- Artificial Intelligence Fundamentals
- Internet of Things (IoT)
- Engineering Design Projects
- Innovation Challenges

STUDENT & TEACHER DEVELOPMENT

- Robotics Club
- Parent Innovation Showcase
- Annual School Innovation Exhibition
- Quarterly Teacher Training
- Curriculum Planning Workshops

TRANSFORMATION TIMELINE

Year 1 Robotics laboratory established.

Year 2 Innovation Club and project-based learning introduced.

Year 3 School-wide innovation exhibitions.

Year 4 Participation in regional and inter-school competitions.

Year 5 School becomes locally recognized for innovation-driven education.

Student Strength	Monthly Investment	Annual Investment
500 Students	₹59,000	₹7,08,000
750 Students	₹88,500	₹10,62,000
1000 Students	₹1,18,000	₹14,16,000

OUTCOME

Students regularly build, test, and present technology projects while the school develops a strong innovation culture supported by dedicated infrastructure.

Future Ready

Preparing Students for Tomorrow's Careers

RECOMMENDED PROGRAM

₹150 + 18% GST

PER STUDENT / MONTH

Total ₹177 / student / month

Min. Enrollment 500 Students

Duration 5-Year Transformation Program

EVERYTHING IN INNOVATION, PLUS:

ADVANCED TECHNOLOGIES

- Artificial Intelligence
- 3D Printing
- Drone Technology
- Product Design & Prototyping

CAREER SKILLS & EXPOSURE

- Design Thinking
- Entrepreneurship
- Innovation Projects
- State & National Competitions
- Innovation Festivals
- Industry Expert Sessions

SCHOOL POSITIONING

- Future Ready School Recognition
- Innovation Reports
- Technology Branding

TRANSFORMATION TIMELINE

Year 1 Advanced technologies introduced into the curriculum.

Year 2 Students build functional prototypes.

Year 3 Participation in state and national competitions.

Year 4 Entrepreneurship and innovation projects integrated into learning.

Year 5 Students graduate with industry-ready portfolios and future skills.

Student Strength	Monthly Investment	Annual Investment
500 Students	₹88,500	₹10,62,000
750 Students	₹1,32,750	₹15,93,000
1000 Students	₹1,77,000	₹21,24,000

OUTCOME

Students graduate with advanced technical capabilities, innovation portfolios, and the confidence to pursue engineering, research, and entrepreneurship.

Signature Partner

Complete School Transformation

₹200 + 18% GST

PER STUDENT / MONTH

Total ₹239 / student / month

Min. Enrollment 500 Students

Duration 5-Year Strategic Partnership

EVERYTHING IN FUTURE READY, PLUS:

PREMIUM INFRASTRUCTURE

- Complete STEAM Innovation Centre
- Artificial Intelligence Lab
- Drone Development Lab
- 3D Printing Studio
- Advanced Electronics & IoT Lab

PREMIUM STUDENT OPPORTUNITIES

- National Competition Teams
- Industry Mentorship
- Startup Incubation Activities
- Product Development Program

INSTITUTIONAL GROWTH

- Professional School Documentary
- Dedicated Media Coverage
- Branding Campaigns
- Principal Leadership Workshops
- Dedicated Success Manager
- Priority Technical Support

TRANSFORMATION TIMELINE

- Year 1** Complete innovation infrastructure established.
- Year 2** School-wide innovation ecosystem fully operational.
- Year 3** Regional recognition through student achievements.
- Year 4** National competitions, partnerships, and media visibility.
- Year 5** School becomes a flagship innovation institution with a strong reputation and sustainable growth.

Student Strength	Monthly Investment	Annual Investment
500 Students	₹1,19,500	₹14,34,000
750 Students	₹1,79,250	₹21,51,000
1000 Students	₹2,39,000	₹28,68,000

OUTCOME

The school evolves into a recognized innovation institution with stronger public trust, enhanced reputation, greater student opportunities, and sustainable admission growth.

LET'S BUILD THE FUTURE TOGETHER

The Future Doesn't Wait. Neither Should Education.

Partner with Radix to transform your school into a future-ready institution where students don't just learn about technology — they create it.
